The [Pro-Assistant Championship](#) deadline is May 16. Remember that there is a "Collegial Division" for a team that has at least one PGA Member or Apprentice in good standing (the other can be an employee not currently PGA affiliated.) Don't miss the fun at Madison Country Club along the shoreline.

There's plenty of action at the [Walter Lowell PGA Tournament](#) at the end of the month with contests for individuals, foursomes, divisions, and skins. The deadline is May 18. There's plenty of swag for each entrant, not to mention a very nice prize purse. This Stableford format event is a PGA Member only event with OMEGA Player of the Year points awarded. Tashua Knolls Golf Course will receive the Walter Lowell Public Golf Course Distinguished Service Award at the luncheon preceding the tournament.
