FINANCIAL GRANT APPLICATION

HISTORY AND MISSION

The Connecticut Section PGA Golf Foundation, Inc. was founded in 1995. The Foundation's primary mission is to support youth golf throughout Connecticut and Western Massachusetts. Since its inception, the Foundation has supported many youth golf programs and activities, including the Connecticut PGA Junior Golf Association, and several youth golf programs. The Foundation will strive to help fund these initiatives and many others including golf programs that serve youth ages 18 and under, people with disabilities, minorities, and others that serve the golf community at large.

EVALUATION CRITERIA

A committee comprised of members of the Foundation Board of Directors are assigned to review grant requests. The committee conducts initial reviews and determines if all information required is provided. The committee may meet with an applicant. The committee then determines the benefits of each grant request and makes recommendations to the Board of Directors, which makes the final decision.

Consideration will be given to:

- The degree of potential benefit to the golf community.
- Programs that target youth ages 18 and under, people with disabilities, or minorities
- The span of communities the project will reach.

The Foundation does not fund endowment campaigns, religious or political activities.
