Dear Connecticut Section PGA Professionals,

I have been officially nominated for a Director position on the Board of Directors and I am writing to ask for your support.

As a Connecticut PGA member since April 2009, I feel my experience in private and public golf, as well as those from whom I've had the good fortune of learning, has prepared me for this new opportunity. I currently serve as Director of Golf at Lyman Orchards Golf Club. I have had the opportunity to gain firsthand knowledge from some of the most respected minds in the section. I've been blessed to have worked for a Connecticut Professional Hall of Fame member, two Teachers of the Year, two Golf Professionals of the Year, two Horton Smith award winners, as well as a Bill Strasbaugh award winner.

In addition, I previously held the positions of Secretary on the Assistants' Association Board and most recently served as a member of the Junior Golf Committee. The opportunity to be an active part of this committee has shown me that I can add value to the section. I am passionate about more than just birdies and bogeys, but the growth of the game, specifically through youth and adult programming. My organizational skills, attention to detail, and easy-going personality will make me an asset to the board.

I thank you for your consideration and ask you for your vote. I look forward to seeing you all on November 19, but until then, PLAY GOLF!

Best Regards,

*J. R. Dipollina*
