Connecticut Section

PROPOSED RESOLUTION #2

Proposed by:	Board of Directors
Subject:	To conform with The PGA of America in the use of the term "Associate", rather than "Apprentice," in all documents.
Proposal:	To substitute the term Associate for the term Apprentice in all documentation, including the Connecticut Section PGA Constitution & Bylaws.
Relevant Section:	Constitution & Bylaws, and all other written section documents
Current Reading:	All instances of the term "Apprentice."
Discussion:	Effective March 2018, The PGA of America voted to replace the term Apprentice with Associate in all written documentation. Sections are not required to do so, but it is suggested that all sections make the change to conform with national terminology.
Resolution:	To amend the Section Constitution & Bylaws (and other section documentation) to use the term "Associate" in place of "Apprentice."
