PROPOSED RESOLUTION to TR&R

- Proposed by:** Marc Bayram, PGA
- Subject:** **Amending the eligibility criteria for the Connecticut PGA Championship.**
- Proposal:** Change the eligibility for the Connecticut PGA Championship to be open to all Connecticut PGA Members and Connecticut PGA Associates (Apprentices) as defined herein.
- Relevant Section:** Article V; Section 1(a)
- Current Reading:** Eligibility:
Open to all PGA members in good standing regardless of section affiliation, and all Connecticut Section PGA Associates as defined herein.
- Discussion:** In 2016 the Board of Directors made a change to allow Non-Section Members the ability to participate in the CT PGA Championship in an effort to increase participation and promote one of our sections major events. It is my hopes this proposal will raise some discussion amongst our membership as to whether this change has fulfilled the expectations of the Tournament Committee, as well as, the general membership.
- Resolution:** Amend the eligibility to read as follows:
Open to all Connecticut PGA members in good standing and all Connecticut Section PGA Associates (Apprentices) as defined herein.
