

Bob Sparks, PGA

Dear Fellow PGA Members,

I am writing to ask for your support in my campaign to become the next Secretary of the Connecticut Section. I am finishing my third year as a Director and have really enjoyed my time on the board. I have served as the Junior Golf Chair for the past three years following my passion for junior golfers and junior golf competition.

I have learned a lot over the past three years, regarding section governance, and feel I can add value to the Board. I am passionate about the game and business. I feel my experiences over the past twenty years in the section have prepared me well. I have been working as the Head Golf Professional at Fairview Farm Golf Course for the past 18 years, and also have run the US Kids Hartford Tour for the past four years, and currently coach high school golf.

I am committed to serving our association. I have enjoyed watching many of our section members become leaders and serve our association as I choose to follow their footsteps. I am dedicated to helping my fellow PGA Members, and will continue to be active and support our organization.

I look forward to seeing everyone at our Fall Meeting, and hope you have a great rest of the season.

*Bob Sparks*
