Junior Golf Association

## Caddy Policy

Caddies must be 18 years old or older to serve as a caddy. **Only one caddy is allowed per player.** All others must adhere to the spectator policy. If a caddy becomes disruptive to the point of receiving a formal complaint from an official, volunteer, competitor or caddy, he or she will be given a **warning**. If a second formal complaint is received during the round, the caddy will be relieved of caddying for the remainder of the day, a third offense will result in the caddy losing all caddy privileges for the remainder of the season.

### Caddies Can:

- Carry the bag or use a push cart
- Help with club selection
- Help with golf course etiquette
- Rake the bunkers
- Tend the flagstick
- Help search for a lost ball
- Assist with keeping score, but must ensure that the players agree to the recorded score

### Caddies Can't:

- Coach their child or other players (we don't need to have on-course lessons)
- Use a golf car
- Stand behind the player while he or she plays a stroke.
- Improve the conditions affecting the stroke
- Set down an object that helps a player take their stance
- Kick or prevent a ball from its original path or placement
- Give advice to other players that you aren't caddying for
- Enter the scoring area after the round. Caddies will be called on an as needed basis. Players should verify scores with each other.

**The Development TOUR is for the players not the caddies. Our goal is for the players to learn the game and make decisions on their own in a fun and competitive environment.**

*Sponsors of the 2020 CTPGA Junior Golf Tour, the CTPGA and their staff, PGA of America, and Host Facilities are not liable for any accidents or injuries sustained by players, parents or spectators when attending or participating in any 2020 CTPGA Junior Tour Event. Players, spectators, and parents are to partake in each event at their own risk.*

*For additional caddy rules please see Rule 10 of the Rules of Golf.*
